Experience MAC's Summer Camps!!

Midlothian Athletic Club's Summer Camp program provides an all around fun, active, and safe atmosphere, while helping your child grow physically and mentally all summer long.

Our All Sports Camps will teach the basic skills of multiple sports. The days are filled with games and activities geared towards teamwork, cooperative learning, safety, and fun!

Our Creative Critter Camp is a combination of our popular Creative and Creepy Critter Camps from last summer. Each day will be a new and exciting experience as campers will enjoy scavenger hunts and hikes through our neighboring Huguenot Park one day, and be challenged creatively with fun, age appropriate crafts the next!

Our MAC Team of counselors are all CPR/AED Certified, and consist of experienced college educated team members with backgrounds in early childhood, elementary, and physical education. We pride ourselves on maintaining a safe environment while providing the best summer camp experience your child could ask for!
