Paralyzed Veterans of America, Mid-Atlantic Rim Riders Wheelchair Basketball team and Midlothian Athletic Club (MAC) team up to bring awareness to adaptive sports

Saturday, February 18, 2017-The Paralyzed Veterans of America, Mid-Atlantic Chapter's Rim Rider Wheelchair Basketball team and the Midlothian Athletic Club (MAC) staff, team up for an exhibition game to bring awareness to the benefits of adaptive sports in our community. The Rim Riders will take on the MAC Staff at the Midlothian Athletic Club, in their gym, on February 18, 2017 at 6 pm.

The Rim Riders and MAC Staff will play a full regulation game. We encourage anyone who would like to attend the event to come out and watch. The PVA, Mid-Atlantic and MAC are supporting efforts, to show the importance of adaptive sports within our community and how good partnerships can make a difference. President Robert Satterwhite of the Paralyzed Veterans of America, Mid-Atlantic stated "adaptive sports are the back bone to rehabilitation of many of our veterans but also the foundation to support a healthy and well balanced life as we continue to age." Come out and support these efforts and learn more about the importance of adaptive sports in the lives of all people with physical and mental challenges.
