The format, along with the exercises, will change every class to help prevent injuries and promote muscle confusion which fosters results. Intermediate to Advanced

**Barre:** The barre technique is unique in that it combines the principles of pilates, yoga and ballet with the use of a ballet barre as support to help tone muscles, increase flexibility and improve range of motion. Each barre class is a total body workout, using music to drive the workout in an energetic group setting. All levels

**Body Attack™:** is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Dynamic instructors and powerful music motivate everyone towards their fitness goals - from the weekend athlete to the hard-core competitor! Like all the LES MILLS™ programs, a new BODYATTACK™ class is released every three months with new music and choreography. All levels
**Body Combat™**: is the empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as karate, boxing, taekwondo, tai chi and muay thai. Supported by driving music and powerful role model instructors, you strike, punch, kick and kata your way through calories to superior cardio fitness. Like all the LES MILLS™ programs, a new BODYCOMBAT™ class is produced every three months with new music and choreography. All levels

**Body Flow™**: is a Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance. Like all the LES MILLS™ programs, a new BODYFLOW™ class is released every three months with new music and choreography. All levels

**Body Pump™**: is the original barbell class that strengthens your entire body. This workout challenges all of your major muscle groups by using the best weight-room exercises like squats, presses, lifts, and curls. Great music, awesome instructors, and your choice of weight inspire you to get the results you came for – and fast! Like all of the LES MILLS™ programs, a new BODY PUMP™ is released every three months with new music and choreography. Intermediate-Advanced

**Cardio Pilates**: incorporates a series of exercises that are low impact in nature but have a high focus on strength, endurance and cardio. Pilates exercises will be infused with traditional active strength training and cardiovascular movements. A strong emphasis will be placed on postural alignment, core strength and muscle balance throughout each progressive series. The progression of exercises is what makes Cardio Pilates unique and challenging. Exercise modification is included to meet all exercise levels. Participants gain heightened body awareness, improved mobility, stability and strength and find that the changes to their bodies enhance other aspects of daily living and other activities or sports. All levels

**Chair Yoga**: A gentle yoga class that is practiced sitting in a chair or standing using a chair for support. Chair yoga is a general term for practices that modify yoga poses so that they can be done while seated in a chair. These modifications make yoga accessible to people who cannot stand or lack the mobility to move easily from standing to seated to supine positions. Many of the basic body mechanics of the individual postures are retained, no matter the stance of the practitioner. While seated on chairs, students can do versions of twists, hip stretches, forward bends, and mild backbends. In addition to a good stretch, chair yoga participants can also enjoy other health benefits of yoga, including improved muscle tone, better breathing habits, reduction of stress, better sleep and a sense of well-being. All levels

**Core Intervals**: A power packed 30 minutes designed to tone and strengthen the core, shoulders to hips, 360 degrees around the rib cage. Exercises will be offered in timed intervals. Class uses various skills, techniques and equipment to challenge the core. All levels

**CXWORX™**: Looking for a short, sharp workout that will inspire you to the next level of fitness, while strengthening and toning your body? CXWORX™ is for you! This class is based on cutting-edge scientific research and offers a brand new 30-minute format. CXWORX™ hones in on the torso and sling muscles that connect your upper body to your lower body. It’s ideal for tightening your tummy and butt, while also improving functional strength and assisting in injury prevention. It’ll help you run faster ... play harder ... stand stronger! All levels

**Fitness Yoga**: Yoga for the fitness industry. Basic Hatha Yoga utilizing a combination of traditions. Participants will benefit from having some previous yoga experience. All levels

**Gentle Yoga**: Hatha Yoga including mainly mat work. The class will include elements of balance, flexibility, and breathe control. Novice
**Low Impact Ride:** 30 minute cycling class designed to pump the heart within the aerobic energy zone, offer smooth rides to fun music, play music at a moderate volume and minimize stress on the joints. This class is perfect for all levels of fitness and is a great place to start adding indoor cycling into your workout routine. All levels

**Pilates:** Classic Pilates to strengthen the core and improve balance. All levels

**Rise and Shine Yoga:** this early morning yoga class begins with floor postures for gentle awakening, is followed by heat-building standing sequences designed to improve flexibility, strength and balance, and ends with core work and a short savasana.
